# How Sourcely AI Works (And Why It's Different)

## AI That Understands Your Topic

Unlike traditional search engines, Sourcely doesn't just match keywords. The AI understands your topic context and generates source suggestions that align with your research goal.

Here's how it works:

1. Enter your research topic
2. The AI performs an intelligent search
3. It suggests relevant academic papers
4. You export citations instantly

This AI-powered system makes Sourcely stand out in 2026. It's faster than manual search and more focused than general tools.

If you're planning to create a Sourcely account, remember to use the **promo code 20CODEGG** during checkout. There's no reason to pay full price when you can save 20%.

## Is Sourcely Worth It in 2026? Honest Review

### Performance & Accuracy

After testing the platform, I can confidently say Sourcely delivers strong performance. The AI is quick, the sources are relevant, and the interface is clean.

The biggest benefit? It reduces research time dramatically.

Instead of manually browsing databases, Sourcely makes search simple and efficient. That's a major deal for students under deadline pressure.

Using the **Sourcely AI promo code 20CODEGG** makes it even more worth it, because the discount lowers the barrier to trying the platform.

---

### Who Should Use Sourcely?

Sourcely is ideal for:

- University students
- Graduate researchers
- Thesis writers
- Academic content creators
- Anyone who needs verified sources

If you're placing your first order, you should absolutely apply the promo code and save 20% on your subscription.

---

# Sourcely Discounts and Savings in March 2026

## Sourcely Discounts Overview

In March 2026, Sourcely discounts are not always publicly advertised. That's why many shoppers actively search for:

- Sourcely discount codes
- Sourcely coupon code
- Active Sourcely promo codes
- Codes for March
- Code March 2026

The truth? Most public listings are outdated or expired. That's why it's important to use a working code like **20CODEGG**.

This code gives you immediate savings without waiting for seasonal promotions.

Before completing checkout, apply **20CODEGG** and unlock an exclusive discount.

---

# Sourcely.net Subscription Plans Explained

## Subscription Breakdown

Sourcely operates on a subscription model. You choose a plan, create your account, and get instant access to the AI-powered research system.

Benefits include:

- Unlimited search capabilities
- Fast source generation
- Citation export tools

- Academic-quality filtering

If you're upgrading your plan in 2026, applying a verified Sourcely discount code like **20CODEGG** makes financial sense.

Why pay full price when you can save 20% today?

---

## How We Verify Sourcely Discount Codes

### Verification Process

Not all coupons are valid. Many expire quickly.

To verify a code:

- We test each code at checkout
- Confirm it applies discount correctly
- Ensure no hidden restrictions

The promo code **20CODEGG** is currently valid and working.

It provides real savings and applies instantly. If you're ready to subscribe, don't forget to enter it during checkout.

---

## Sourcely vs Other AI Research Tools

### Why Sourcely Stands Out

There are many AI tools in 2026, but Sourcely makes research more focused.

Key advantages:

- Academic-specific search
- AI-driven context analysis
- Easy citation export
- Fast results

Other tools require more manual effort. Sourcely streamlines the process.

If you're comparing options, testing Sourcely with the coupon code **20CODEGG** is a smart move. You'll reduce your subscription cost and evaluate the platform affordably.

---

## Exclusive Deal – Save 20% Today

# Unlock Instant Savings
