EA FC 25 Ultimate Team uses coins as its primary in-game currency for buying players, consumables, and contracts. You don't need to spend real money — here's how to build a rich FUT club entirely through free coin methods.

■ How to Get Free Coins — All Methods

1. Squad Battles (Best Consistent Source)

Play Squad Battles every week. Achieving Gold 1 rank earns 30,000–80,000 coins plus packs. Elite rank: 100,000+ coins/week. This alone funds most squads.

2. Division Rivals

Earn weekly rivals rewards based on your division. Division 4 and above yields 20,000–60,000 coins/week plus packs.

3. Squad Building Challenges (SBCs)

Complete SBCs using cheap fodder players from the transfer market. Many SBCs return player packs worth 50,000–500,000 coins if you get a packed high-rated player.

4. Transfer Market Trading

Buy players at low prices (Monday morning, early morning) and sell at peak times (Friday/Saturday evening). Even 500-coin margins on 100 trades = 50,000 coins/day.

5. Objectives & Milestones

Weekly and seasonal objectives reward coins, packs, and special player items. Always complete the free objectives before they expire.

6. Daily Login & Season Rewards

Daily match bonuses and season pass progression reward packs and coins passively — just log in and play.

■ Coin Buying Scams to Avoid

■ MYTH: Buying coins from third-party sites is safe

FALSE — EA actively detects coin buying and issues permanent bans. Thousands of accounts are banned every week for this.

■ MYTH: Coin generators give real FUT coins

FALSE — EA's servers are closed systems. All generators are scams.

■ Weekly Coin Earning Schedule

Monday – Wednesday: Squad Battles grind

Complete your Squad Battles matches to target Gold 1 or Elite rank. Play on World Class difficulty for optimal coin returns.

Thursday – Saturday: Trading peak hours

Friday and Saturday evenings see the highest transfer market prices. List your players then for maximum coin returns.

Sunday: Rivals refresh + SBCs

Complete any remaining Rivals games for weekly rewards. Check and complete any new SBCs released over the weekend.

■ Frequently Asked Questions

How many coins can I earn free per week?

Squad Battles Gold 1: 30–80K. Division Rivals Div 4: 20–60K. Trading: 50–200K. Total active player: 100–340K coins/week.

What is the best SBC for beginners?

League SBCs with cheap requirements. Use FUTBIN.com to calculate the cheapest solution — never guess on SBCs as they can lose coins.

Is trading difficult for beginners?

Start with a single player type you know well. Filter by player rating and league, buy the cheapest, sell at +1,000 coins. Scale up as you learn market patterns.

■ Conclusion

EA FC 25 is one of the richest games for free coin earning. Between Squad Battles, Rivals rewards, trading, and SBCs, a focused player can build a 1M+ coin squad entirely for free. Stay consistent, avoid coin buyers, and trade smart.
