Gems are Clash of Clans' premium currency used to speed up builds, buy resources, and unlock builders. Supercell provides multiple free gem paths — here's how to maximise them all in 2026.

■ How to Get Free Gems — All Methods

1. Achievements (Best Source)

Completing in-game achievements awards hundreds to thousands of gems. Total achievement gems available: 7,000+. Focus on Town Hall upgrades, attack milestones, and donation achievements first.

2. Gem Mine (Passive Income)

Unlock the Gem Mine in Builder Base. It produces 0–4 gems/day depending on level. At max level: ~4 gems/day = ~120 gems/month = ~1,440/year passively.

3. Clearing Obstacles

Trees, mushrooms, and bushes that spawn on your village each give 0–6 gems when cleared. A fully maintained village clears 4–8 gems/week.

4. Google Opinion Rewards (Android)

Earn Google Play credits via short surveys, then spend them on Clash gem packs. Average: 60–300 gems' worth of credit per month.

5. Special Events & Seasonal Challenges

Supercell runs gem reward events during Clan Games, Builder Base events, and seasonal content. These award 50–500 gems per event.

6. Clan Games & Magic Items

Clan Games reward Builder Potions, Research Potions, and Resource Potions worth thousands of gem equivalents in time savings.

■ Gem Scams to Avoid

■ MYTH: Gem generators give real gems

FALSE — Supercell's API does not allow external gem grants. All generators steal your account.

■ MYTH: Buying accounts with gems is safe

FALSE — Account trading violates ToS and will result in a permanent ban.

■ Best Achievement Order for Fast Gems

Priority 1: Sweet Victory! (Town Hall upgrades)

Each Town Hall level grants 50–1,000 gems. Reaching TH12 gives a cumulative gem bonus of ~4,500 gems from this achievement alone.

Priority 2: Unbreakable (Defense wins)

Earn 250 gems by winning 5,000 multiplayer defenses. Push this passively — just keep your village active.

Priority 3: Friend in Need (Donations)

Donate 250,000 troops to earn 500 gems. Join an active clan and donate daily to progress this fast.

■ Frequently Asked Questions

How many free gems can I earn per month?

Gem Mine: ~120. Obstacles: ~30. Events: ~100. Achievements (early game): 500–2,000. Total for active new players: 750–2,250 gems/month.

Is the Gem Mine worth upgrading?

Absolutely. Max it as soon as possible — the lifetime gem output exceeds 10,000 gems and it costs zero effort after placement.

■ Conclusion

Free gems in Clash of Clans accumulate steadily if you play consistently. Prioritise achievements, max your Gem Mine, and use Google Opinion Rewards to supplement. You'll never need to buy gems for essential progress.
