Primogems are Genshin Impact's premium currency, used to wish for characters and weapons. Unlike many gacha games, HoYoverse is generous with free Primogems. In 2026, active players earn 4,000+ Primogems (~27 wishes) per month for free.

## ■ How to Get Free Primogems — All Methods

### 1. Daily Commissions (Best Consistent Source)

Complete 4 daily commissions every day: 60 Primogems/day + 20 bonus = 80/day × 30 = 2,400 Primogems/month. Never skip these.

### 2. Spiral Abyss (Floors 9–12)

Clear Floors 9–12 each reset (every 2 weeks) for 300–600 Primogems. That's 600–1,200 Primogems per month with full clears.

### 3. In-Game Events

Each patch (6 weeks) includes 3–5 events rewarding 200–1,600 Primogems total. Participating in all events is crucial — don't miss any.

### 4. HoYoLAB Daily Check-In

Check in daily on the HoYoLAB app/website for 30–60 Primogems per month plus bonus items. Takes 10 seconds.

### 5. Redemption Codes

HoYoverse releases codes during livestreams (usually 300 Primogems per stream, 3 codes of 100 each). Follow Gaming Coins Hub for instant alerts.

## 6. Exploration & Chest Rewards

New areas contain Primogems in chests and puzzles. Each major update adds 400–800 Primogems worth of exploration rewards.

## 7. Welkin Moon (Optional Low-Cost Boost)

At \$4.99/month, Welkin gives 90 Primogems/day = 2,700/month. Best value purchase in the game if you choose to spend at all.

## ■ Primogem Scams to Avoid

### ■ MYTH: Free Primogem generators work

FALSE — HoYoverse's systems cannot be accessed externally. All generator sites are phishing operations.

### ■ MYTH: Buying accounts with saved Primogems is safe

FALSE — Account sharing violates ToS and can result in a permanent ban.

## ■ Monthly Primogem Breakdown (Free-to-Play)

### Conservative (dailies only)

Daily commissions: 2,400. HoYoLAB: 50. Codes: 300. Total: ~2,750 Primogems = ~17 wishes per month.

### Active player (all sources)

Dailies + Abyss + Events + Exploration + Codes = 4,000–6,000 Primogems = 27–40 wishes per month.

## ■ Frequently Asked Questions

### How many wishes can I get free per patch?

An active player earns roughly 40–80 wishes per 6-week patch cycle, depending on event participation and exploration completion.

### When are Genshin codes released?

During official HoYoverse livestreams, usually 2–3 days before each patch (every 6 weeks). They expire within 12–24 hours, so act fast.

### Is Spiral Abyss F2P friendly?

Floors 1–8 yes. Floors 9–12 require good characters and team building. Even clearing Floor 9 gives 150 Primogems — worth attempting.

## ■ Conclusion

Genshin Impact is one of the most generous gacha games for free players. Stick to daily commissions, clear Spiral Abyss, participate in every event, and always redeem codes immediately. Over time, you'll accumulate enough Primogems to pull every character you want.
